

World Watch Industry and More ...

Ram Kumar Kakani

Summary

- Dr. Amy Glasmier wrote
- “How an industry’s success or decline did not occur in isolation, but resulted from the interaction between the communities, industrial cultures and systems, and the effects of economic crisis, technological change and political identities. Her research highlights the rise and fall of major watch companies in five countries -- Britain, Switzerland, U.S., Japan and Hong Kong -- for more than 200 years”
