

PROBLEM SET # 7

Each individual student will prepare and upload the submission before 11.59 PM of the deadline day in virtual classroom (Moodle). If you have doubts then you can meet Ms Aleesha Mariya (intercom 261) for clarifications. There should be around 7-9 submissions. Delay would mean non-submission and hence deduction of marks.

Please note that all your submissions will be Microsoft Word OR Excel files and the filenames would be YourRollNumber_YourSubmissionNumber.doc. For example, Roll Number # is PGP/23/010 then the first submission would be 010_1.xlsx; and similarly Roll Number # is FPM/13/09/M then the ninth submission would be 09M_9.xlsx.

I expect you to submit the following: Refer to the two attached files containing questions related to 'BONDS' topic. Solve as per the table below.

In the sets below, most problems do not explicitly list a par value for bonds. Even though a bond can have any par value, in general, corporate bonds will have a par value of \$1,000. We will use this par value in all problems unless a different par value is explicitly stated. **Please take an appropriate pre-stated tax rate – wherever there are issues of taxes that come while attempting a problem.**

Submit based on your roll numbers using below table by 01-09-2019.

If your roll number ends by ↓	Solve and Submit ↓
1	File name Ind_PS_BONDS_A1 containing MCQ's # 1, 11, 21, 31, 41, 51, 61 File name Ind_PS_BONDS_A2 containing concept questions # 1, 11 File name Ind_PS_BONDS_A2 containing 'Questions & Problems' # 1, 11, 21, 31 File name Ind_PS_BONDS_A3 containing 'Questions & Problems' # 8
